

# Wealden Business Breakfast

(Supported by the Federation of Small Businesses)

## Keeping Your Business Connected: Road, Rail and Broadband

**When:** Wednesday 29 November 2017

**Where:** Buxted Park Hotel, Station Road, Buxted  
TN22 4AY (free parking on site)

**Time:** 7.15-7.30am: Arrival / Registration /  
Networking with tea & coffee  
7.45am: Breakfast is served  
8.10am: Business introductions /  
Presentation and Q and A  
9.15-9.30am: Main event ends / optional networking

**Cost:** £11 per person (inc. booking fee)

Join us for cooked breakfast with coffee and tea (lighter options available) and business networking. Take the opportunity to make contacts and introduce your business. Our guest speaker will provide an update on the transport and broadband scene in the county with the opportunity to hear how your business can keep connected. Business related questions will be most welcome for the Q and A session on the morning, which will be facilitated by FSB.

### Guest speaker:

- Road, Rail and Broadband Update  
**Rupert Clubb,**  
Director of Economy, Transport and Environment, East Sussex County Council

Rupert has a wide range of responsibilities affecting our quality of life and how we live, travel and enjoy our local environment across East Sussex. His department at the County Council helps plan and deliver ways to improve and make safe our highway network. He also has a team supporting the East Sussex economy and the BDUK plan to roll out improved broadband services. Rupert's department also has objectives related to sustainable transport, working with other agencies, including rail, bus services, cycle routes and rights of way.

**Networking Opportunities:** There will be an opportunity to mix with other delegates and introduce yourself and your business at this event.

**Bookings:** <https://wealdenbusinessbreakfast29nov17.eventbrite.co.uk>

Please book and pay online by 12 noon on Tuesday 28 November 2017. Please note: no payments can be taken on the door.
